

Ireka's property development unit obtains quality certification

IREKA Development Management Sdn Bhd, a wholly-owned subsidiary of Ireka Corporation Bhd, has obtained the MS ISO 9001:2000 Quality Management System certification from SIRIM QAS International and UKAS Quality Management.

In a statement issued in Kuala Lumpur yesterday, Ireka said that the quality certification was awarded to Ireka Development Management's property development and management services, which includes residential, commercial, industrial and institutional properties.

"We are pleased with this achievement. It is imperative that we operate according to international processes

and requirements," said Ireka Development Management president and chief executive officer, Lai Voon Hon.

He said that the company was currently managing four ongoing developments in Malaysia and two in Vietnam.

"As we continues to manage the development of projects, this quality certification will ensure that all processes meet the stringent guidelines and requirements of international governing bodies.

"It will also ensure that the end product has all the ingredients to meet the demands of the discerning target segments," he said. — *Bernama*
