

Ireka secures RM232 mil office, hotel project in KL

KUALA LUMPUR: Ireka Corp Bhd has secured a RM232.74 million contract for the proposed offices and hotel development at KL Sentral.

It said last Friday that its unit Ireka Engineering & Construction Sdn Bhd had received a letter of intent from Transmission Technology Sdn Bhd for the project, which involves architectural and mechanical and electrical works for basements and the 13-level podium as well as the 27-storey and 37-storey office towers.
