

Ireka gets construction project worth RM233m

IREKA Corp Bhd's wholly-owned subsidiary company, Ireka Engineering & Construction Sdn Bhd (IECSB), received a RM232.75 million construction project for an office and hotel development in Kuala Lumpur. In a filing to Bursa Malaysia last Friday, the company said it received a letter of intent from Transmission Technology Sdn Bhd appointing IECSB as the contractor for the project. Ireka said the work entails architectural, mechanical and electrical works.
