

# Ireka gets Viet investment certificate

**KUALA LUMPUR:** Ireka Corp Bhd has obtained an investment certificate to import and distribute computer hardware, programming, consultancy and computer system management in Ho Chi Minh City, Vietnam. In a filing to Bursa Malaysia yesterday, the property developer said the certificate was from the city's People's Committee, a 13-member executive council. The company will operate the business under the name i-Tech Network Solutions (Vietnam) Co Ltd.
