**KUALA LUMPUR:** Ireka Corporation Bhd is stepping up its property development with four projects to be implemented over the next five years.

The company said on Wednesday these projects would have a gross development value of about RM1.9bil. Ireka planned to launch two projects by the fourth quarter of this year, which were a boutique hotel and serviced residence in Kuala Lumpur; and a housing development in Nilai, Negeri Sembilan.

Group managing director **Lai Siew Wah** said the company was optimistic of its prospects in the two to three years while it was looking for more construction jobs in the country.
