

Ireka cheers up children's home

SPREADING THE LOVE: "It only takes a spark to get a fire going, and soon all those around can warm up in its glowing. That's how it is with God's love, once you've experienced it, you spread the love to everyone... you want to pass it on." The lovely lyrics of this hymn came to mind and certainly resonated with the reason for the season as the children at Rumah Kanak-Kanak Angels got to indulge in

some Christmas cheer.

Moving beyond bricks-and-mortar, Ireka Corporation Berhad showed its caring side when both its staff and management as well as care givers took time off their busy schedules to serenade the children at Rumah Kanak-Kanak Angels under its "Ireka Cares" initiative held during last Christmas.

Spreading the season's cheer with

carolling and cupcake decorating, the children were also treated to a delicious Christmas party luncheon. Everyone had a great time decorating five different Christmas-themed cupcakes.
