

The points of interest to be raised:

Company	Points/Issues to be raised
BIMB Holdings Bhd	<p>As stated in the Chairman's Statement on page 31 of the Annual Report (AR), Bank Islam had launched a new strategic plan known as "Hijrah to Excellence". However there was no mention of any plan for its other business segments.</p> <p>Could the Board share on what are the plans for the other operating units namely Syarikat Takaful Malaysia, BIMB Securities and Syarikat Al-Ijarah to complement the strategy of the Bank and Group, going forward?</p>
Aeon Co. (M) Bhd	<p>As reported in the Chairman's Statement, the Company had entered into a joint venture (JV) arrangement with Index Living Mall Company Limited, a Thailand-based furniture company, to jointly set up a company selling home and office furnishings in Malaysia. Please enlighten shareholders on why the Company chose the Thailand based company as a JV partner.</p>
PPB Group Bhd	<p>The flour and feed milling, and grains trading profits were marginally higher by 2% resulting from higher raw material cost and unfavourable foreign currency exchange movements. Moving forward, how would the Board address these issues so that the Group could achieve higher profits?</p>
WCT Bhd	<p>What are the revenue and profit contributions from the 1Medini and Medini Signature projects in the Iskandar region to-date? On Gateway@ KLIA2, what is the project's expected revenue and profit contribution to WCT going forward?</p>
Cahaya Mata Sarawak Bhd	<p>Given the sustained competitive edge of the Group's cement division in Sarawak, please enlighten shareholders whether and how return on assets could be further improved via price setting exercises as well as productivity growth?</p>
Gas Malaysia Bhd	<p>During the year, the customer base grew by 7.5% to 37,509 in 2013.</p> <p>What would be the targeted growth rate of customers for FY2014?</p>
Ireka Corporation Bhd	<p>It was stated on Page 4 of the Circular To Shareholders, that in the event the First Call Price (which would be set at no more than a 20% to the TERP of Ireka Shares immediately preceding the price-fixing date) is equal or more than the par value of RM1.00, then the Company will not proceed with the Second Call and there will hence be no amount to be capitalised from the Company's share premium account. Would it then not be in line with the Board's intention to have a Second call to be capitalised from the Company's reserves, to act as an incentive for all shareholders to subscribe for the Rights Shares?</p>
