

# Ireka wins RM268m UEM job

**PETALING JAYA:** Construction outfit Ireka Corp Bhd has received a letter of award for a RM268.6mil job in a mixed development in Johor Baru from UEM Land Bhd via its wholly-owned subsidiary Ireka Engineering & Construction Sdn Bhd.

In a filing to Bursa Malaysia, Ireka said the contract it won was for the construction of one block of five-storey serviced apartments, or

246 units, with five-storey car parks and recreational facilities and swimming pool; one block of 16-storey office tower with three-storey car parks; one block of single storey commercial block; and one level of car parking space at basement.

Ireka revealed that the contract came with a tenure of 24 months, commencing Aug 1, 2012. Completion date is set on July 31, 2014.
