

Ireka lands Eco City job

KUALA LUMPUR: Ireka Corp Bhd's unit, Ireka Engineering and Construction Sdn Bhd, has received a contract worth RM298.24 million from KL Eco City Sdn Bhd for the construction and completion of the main building works. The works are to build two blocks of

condominium of 48-storey and 56-storey on top of a seven-storey podium car park and one-storey basement car park in Kampung Haji Abdullah Hukum, Bangsar. In a filing to Bursa Malaysia, Ireka Corp said the contract was for a period of 38 months. — Bernama
