A Seni Experience

AS A GESTURE OF THANKS AND recognition to exclusive i-Zen home owners, **IREKA** hosted an evening of food and wine at its newly completed residential resort development, Seni Mont' Kiara. Inspired by a degustation of the chef's tasting menu, guests experienced The Art of Fine Living, savouring food, discovering wine and exploring the artistic creation of Seni. First-timers to Seni were also taken on a private tour of the arty resort-style development that evening.
