Winners' circle

It was a night of distinction made even more memorable by the active participation of the many blue-chip local and international developers present at the Fiabci World Prix d'Excellence Awards 2015.

The best of the best were honoured for their visionary architectural designs while Fiabci members from other chapters and guests took the opportunity to interact and foster closer ties with one another.

Here's a sneak peek at some of the developers and industry professionals who were present at the dinner night.

The relentless pursuit of real estate excellence has indeed just begun!
