PETALING JAYA: Visitors to the four-day StarProperty.my Fair to be held at Tropicana City Mall concourse from tomorrow will be dazzled by the many selection of properties on display.

The fair is organised by StarProperty.my in collaboration with its premium partners IJM Land, Tropicana Corp Bhd and Matrix Concepts Holdings Bhd.

IJM Land will be presenting Danau Perintis, the first apartment project in Shah Alam 2 that will comprise 252 units with a gross development value (GDV) of RM89mil.

With a strategic location in the well established township of Shah Alam 2, and connected to major highways, potential house buyers will be able to find out how they can enjoy a unique quality lifestyle in a township like no other.

In addition, two of IJM Land's projects located in the sprawling Bandar Rimbayu township, Periwinkle and Wisteria, will also be exhibited at the fair.

Periwinkle consists of 464 houses with a GDV of RM435mil while Wisteria will feature 231 houses with a GDV of RM220mil.

Matrix Concepts Holdings Bhd will be showcasing Bandar Sri Sendayan, which is located in Seremban.
