**SANDAKAN:** All 61 entries for the Sandakan Sculpture Competition 2012 received from participants nationwide, will be put on display for public viewing at an exhibition on the ground floor of Harbour Mall Sandakan from yesterday until July 7.

The programme is held in conjunction with the unveiling of the winning sculpture by Sandakan Municipal Council president Datuk James Wong and also the launching of the 50th Malaysia Day celebration here by

Head of State Tun Haji Juhar Haji Mahiruddin this Monday.

During the period, Sandakan folks can visit the exhibition centre from 9am to 9pm to view the entries submitted for the competition last year.

This was disclosed by ICSD Ventures Sdn Bhd Senior Vice President for East Malaysia Chen Min Sang at a press conference here yesterday. Also present was ICSD Ventures Sdn Bhd Consultant for Government Liaison and Public Affairs (East Malaysia) Thomas Lau. The contest was held last year from March 3 to April 16 and organised jointly by Ireka Develop-

ment Management Sdn Bhd (Development manager for Sandakan Harbour Square), ICSD Ventures Sdn Bhd (developer of Sandakan Harbour Square) and in collaboration with Sandakan Municipal Council (joint development partner for Sandakan Sandakan Harbour Square).

The main objective was to give an opportunity for Malaysians to design an iconic sculpture, which best represents Sandakan to the world and the winning idea would be "brought to life" in the form of an actual iconic sculpture to be placed at the piazza of Sandakan Harbour Square.
