Season's sweetness

THE children of Rumah Kanak-Kanak Angels, Kuala Lumpur, had an excellent time decorating cupcakes at a Christmas party thrown for them by Ireka Cares. As part of Ireka Corporation Bhd's flagship corporate social responsibility (CSR) programme, Ireka Cares adopted the home which was set up in 2004 to provide shelter for underprivileged or abandoned children. The party, held at Rumah Kanak-Kanak Angels, began with the children decorating their own Rudolph cupcakes. After lunch, the children were serenaded by volunteers Irene Sim, together with guitarists Nicholas Yee and Brendan Yee, who belted out all the Christmas favourites. Ireka Corporation Berhad's Group deputy managing director, Datuk Lai Foot Kong, later handed an appreciation plaque to the home's founder William Chang and gave away presents to the children.
