**SANDAKAN:** A Sculpture Competition in conjunction with the completion of the Sandakan Harbour Square (SHS) project is being held until April 16.

The competition organised by Ireka Development Management Sdn Bhd and ICSD Ventures Sdn Bhd with the Sandakan Municipal Council offers prizes of up to RM30,000 and free hotel stays.

The winning idea will be 'brought to life' in the form of an actual iconic sculpture to be placed in the SHS.

Chief Executive Officer of Ireka Development Management, Lai Voon Hon said the competition is aimed at showing their pride for Malaysia's eco-tourism destination - Sandakan.

"We want our countrymen to design a signature icon that best captures the district's unique essence, one that we have a sense of belonging to and can be proud of," he said.

Municipal Council President, Datuk James Wong likewise said the initiative by Ireka would definitely enhance the district's status as a nature city.

He said they are also excited about the opening of Harbour Mall Sandakan and Four Points by Sheraton Sandakan in May.

Meanwhile, all entries accompanied by the required artwork and design rationale can be submitted online, by post or hand.
