KUALA LUMPUR: Ireka Corp Bhd has won a RM60.75 million contract to conduct refurbishment and improvement works for two hospital blocks at Pantai Hospital Kuala Lumpur.

In a filing with Bursa Malaysia, Ireka said Pantai Medical Centre Sdn Bhd awarded the contract to its wholly-owned unit, Ireka Engineering & Construction Sdn Bhd.

The job includes refurbishing the 12-storey Block B, and improvement and additional works for the six-storey Block A.

“The aforementioned contract is expected to contribute positively to Ireka Corp’s earnings for the financial year ending March 31, 2018 (FY18) and FY19,” the company said. Ireka shares were last traded at 62 sen apiece, with a market capitalisation of RM105.94 million.
