

IREKA AWARDED RM60.75M REFURBISHMENT JOB

PETALING JAYA: Ireka Corp Bhd's wholly-owned subsidiary company Ireka Engineering & Construction Sdn Bhd yesterday accepted a letter of award from Pantai Medical Centre Sdn Bhd for a RM60.75 million contract involving the refurbishment of a medical centre complex in Kuala Lumpur. The job entails completion of incomplete refurbishment works for Block B for the proposed demolition and reconstruction of a 12-storey medical centre complex with four-storey basement (Block A), including improvement and additional works for its six-storey medical centre complex with existing four-storey basement (Block B) in Jalan Bukit Pantai.
