

Ireka bags RM92m job for Pantai Hospital Ayer Keroh

BY SURIN MURUGIAH

KUALA LUMPUR: Ireka Corp Bhd has bagged a RM91.96 million contract to build a one-storey basement and eight-storey hospital and to refurbish an existing hospital building for Pantai Hospital Ayer Keroh in Melaka under Phase 2A of the project.

In a filing with Bursa Malaysia yesterday, Ireka said its wholly-owned subsidiary Ireka Engineering & Construction Sdn Bhd has accepted a letter of award from Pantai Hospital Ayer Keroh for the proposed job.

The contract period is for 24 months, with completion on April 15, 2020.

“The contract is expected to contribute positively to the earnings of Ireka Group starting from the financial years ending March 31, 2019,” said Ireka.
