A CHARMING AND CONTEMPORARY HAVEN

The RuMa offers guests a creative space with hidden cultural charms that are simply unforgettable.

Nestled in the very heart of Kuala Lumpur's Golden Triangle and just steps away from the Petronas Twin Towers and KLCC, is Kuala Lumpur's newest bespoke urban haven - The RuMa Hotel and Residences.

The RuMa means home (in Malay) in its literal sense. It offers a serene sanctuary amidst the downtown hustle and bustle, and it is a hotel that captures all the intimacy of a home run by an accomplished host. A stay will inspire you to uncover the city's origins and colonial heritage in a contemporary setting that exudes the soothing qualities of a true Urban Resort.

Launched in late 2018 and located within the city's vibrant Golden Triangle, The RuMa is the latest luxury hotel to join the increasingly global portfolio of properties by Urban Resort Concepts (URC).

The RuMa is a local voyage but it is also a reimagining of Kuala Lumpur, letting its guests experience a stay that inspires them to uncover the city's origins and colonial influence in a contemporary space.

Inspired by the rich and colourful heritage of Malaysia, The RuMa weaves the local with the contemporary, welcoming guests to enter a world that revolves entirely around them.

Guests enjoy a range of considered and artisanal crafted facilities, making it the perfect location for celebratory occasions and special events both corporate and social.

The RuMa's luxuriously appointed guest rooms and suites, many with breathtaking views across the city's famed skyline, not only pay tribute to its locale, they also embrace a new form of guest experience, unlike any in the region today.

Hostmanship, the mantra of the hotel, centres around its guests at its very core. Human, intuitive, generous and devoid of complicated processes, once the guests arrive at The RuMa, they enter a world that

revolves around them.

From a dreamy infinity pool, state-of-the-art gym, signature spa and the famed barber by Truefitt & Hill, some of the luxurious offerings at The RuMa for guests to hold personalised events include The Pavilion, The Librari, Atas and Bilik.

Overlooking the hotel's serene outdoor infinity pool and Santal pool bar is The Pavilion, which houses two rooms that can be used separately or together to create modular spaces. Here, guests can host personalised social events or even intimate weddings with specially curated menus designed by a dedicated in-house events manager.

For guests looking to host afternoon tea parties or private cocktails with friends or business partners, The Librari serves a decadent high-tea while Seven Lobby Bar offers classics such as the hotel's signature Jungle Bird cocktail as well as an extensive and unique menu of Gin and Tonic combinations.

At the heart of The RuMa's culinary offerings is Atas Modern Malaysian Eatery, an all-day dining restaurant that seeks to create an entirely new yet distinctly Malaysian experience under the helm of its dynamic executive chef, Tyson Gee. Paying homage to locally sourced ingredients in his seasonal menu, Atas is the perfect venue for bespoke and customised private lunches and dinners, whether for business or pleasure.

On the mezzanine floor, two adjacent meeting rooms, Bilik I and II are function rooms that can also be combined to create the ideal location for private dining, intimate team building events or presentations. With a fully equipped boardroom, Bilik III is perfect for business meetings.

From social soirees to corporate meetings, The RuMa Hotel's conveniently located contemporary offerings are simply waiting to be discovered.
