IREKA CARES ADOPTS NEW CHILDREN'S HOME IN 2019/2020 TERM

IREKA CARES is all about the children and Saturday, 24th August was no exception. Ireka Corporation Berhad's flagship CSR programme adopted Home of Peace, KL for its new term (2019 – 2020). Both volunteers and senior managers attended a fun day out to meet, and spend time with the children playing games, sharing lunch and generally getting to know each other. The children were clearly in their element, making friends with the volunteers and by the end of our time there, bonds were beginning to be formed between the Irekians present and the children.

The IREKA CARES committee were meticulous in their organisation to ensure that the children benefitted most from the experience. They themselves invited donations from colleagues either monetary or in kind – RM3,000 cash was collected and others gave provisions requested for by the Home (e.g. Milo, sugar, cereal etc). Thank you everyone!

Ireka Group Deputy Managing Director, Ms Monica Lai said of the day, “I am always so proud of the many Irekians who give up their time for IREKA CARES and who donated to make a difference. In the 10 years of IREKA CARES we have only ever had one goal, and that is to bring happiness to the lives of the children we are in contact with and to change things for the better in whatever way we can. Working with Home of Peace for this term is indeed a privilege and I am personally looking forward to getting to know the children better.”

Home of Peace is a safe haven for 19 delightful children between 2 to 18 years. They are very well cared for by their main carer and pioneer of the Home, Ms Justine Morais. The children are home schooled and taught by volunteers. Their Saturdays are free so IREKA CARES will visit the children again in 2 months' time for more fun and laughter.

IREKA CARES President, Chloe Chow, commenting on the first Home of Peace event said, “I am delighted that so many Irekians turned up on Saturday and they all interacted with the children so comfortably. I think that we are all big kids at heart! I am looking forward to spending more time with the children in the future and we have a few ideas of some fun events.”
